Subject: FOIA request  
To: <lanselme@channahon.org>

Dear FOIA Officer:

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140, I request copies of the following records:

- All documents (including but not limited to emails, memoranda, contracts, or agreements) related to the Village's contract with Amazon Ring
- All emails (including any and all attachments) sent to/received from email addresses associated with the ring.com domain from June 1, 2019 to present
- All emails (including any and all attachments) sent/received by Shane Casey, Adam Bogart, or Craig Gunty containing any of the following non-case sensitive terms: {"Ring", "Neighbors app", "law enforcement portal"} from June 1, 2019 to present
- Any documents (including, but not limited to, emails, memos, guidances, or guidelines) containing any policies or procedures (including, but not limited to, procedures for obtaining video and

policies regarding posting on the Neighbors app) regarding either the Neighbors app or RING cameras  
- Documents (including, but not limited to, emails or memos) sufficient to show the Partnership Point of Contact, Press/Media Coordinator, Social Media Coordinator, Investigative Coordinator, and Community Relations Coordinator with regards to the RING agreement

The Channahon Police recently announced a new partnership with Ring: <https://twitter.com/ChannahonPolice/status/1155909877119770629?s=20>. The requested documents will be made available to the general public, and not for commercial purposes, in order to shed some light on these contracts with the Village.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,  
Shreyas Gandlur

Hi Deputy Chief Bogart

Reaching out to confirm that the In-App announcement is scheduled to go out tomorrow and your Neighbors portal features will be fully active. Coordinators and Early Adopters should receive email invitations so they can login and begin using Neighbors Portal.

PR materials and guidelines below are equally important to team success now that the partnership has shifted towards a public-facing conversation. Please review and circulate materials to your internal team as needed.

**Ring's PR team is copied on this email (via [Media@ring.com](mailto:Media@ring.com)) please be sure to connect with us if you receive any media inquiries.**

**Neighbors App PR Materials Folder ([Click to Access](#)) includes:**

- Initial social media announcement templates (a great tool for informing the community)
- Key Neighbors App Talking Points
- Hi-res Neighbors app imagery

**Custom Neighbors App Download Link: [LINK](#)**

**Simple Text Code:** 'TEXTCODE' to 555888 from your smartphone. (*not case sensitive*)

*\*\* This is TBD, I will send this to you once our team has finished creating it. Please do not send out social media announcement without this info.*

### **Guidelines**

- **All public facing messaging and materials that mention Ring and/or the Neighbors app must be approved by both parties**
- **Media inquiries and public requests for information about Ring or Neighbors should be flagged with both parties by** contacting Ring's PR team via [media@ring.com](mailto:media@ring.com)
- **Per Ring's company policy, we do not publicly disclose any app user or device owner data**
- **Neighbors Portal back-end features should not be shared with the public, including** the law enforcement Neighbors Portal on desktop view, the heat map, sample video request emails or the video request process itself as they often contain sensitive investigative information

That's it for now! We'll be on standby for any questions and keep us posted on any plans for outreach.

All the best,

Anthony Modestine

Hi Deputy Chief Bogart

Thank you for your time. Here is a recap of our discussion and the next steps for Channahon's Neighbors Portal onboarding:

### 1. Recap

Things I highly recommend:

- Designating 3-5 officers (Some that work weekends as well) to be active commenters.
- All Detectives should have access to Post LE Alert (Real-time crime & safety info)
- The more proactive you are w/ posting/commenting the better results you will see. (More neighbors wanting to share/more neighbors opting into Video Request)
- Every Officer should have access to the Portal. - Excel Sheet is below to fill out their info and which level of access.

Community Outreach - Post about Events (Coffee w/ Cop, NNO, Community Watch Events, etc) and Safety Tips  
PIO/Social Media Coordinator - Post about Success Stories, Trending Issues, Wanted Suspects, Scams, Solicitors, BOLOS and anything that meets the criteria of crime/safety  
Investigators - Post about their ongoing investigations/ all crimes

Tomorrow (Once Approved) - In-App Announcement  
July 29th - Social Media Announcement  
August 1st - Onboarding

### 2. In-App Announcement

We will post an announcement in the Neighbors app for Channahon residents who are already on the app. This message is standard for all law enforcement agencies who join the Neighbors platform.

The message is simple: it comes from Ring, tells the community that we are excited to partner with Channahon PD, says CPD can share crime and safety info with residents directly on the app, and ends with an encouragement that by working together we can make the Channahon community a safer community.

Attached is a sample of the in-app announcement. **Once approved, we can move forward with the training.**

[neighbors.ring.com/a/WWGM](https://neighbors.ring.com/a/WWGM)

### 3. Public Announcements or Press/Media Inquiries

Once your in app announcement goes live, I will follow up with talking points and pre-approved social media posts. Until then, please refrain from posting publicly about the partnership.

Please reach out to Ring's PR Coordinator Morgan Culbertson ([morgan@ring.com](mailto:morgan@ring.com)) if media contacts you with questions about the partnership or the Neighbors app in the meantime.

Please reach out with any questions!

**You've been invited to join Ring Neighbors Portal.**

Ring invites you to join the Channahon Police Department in the Ring Neighbors Portal.

Neighbors Portal provides the Channahon Police Department with access to the Neighbors App, which is the largest crime-focused neighborhood watch in the country. You'll also have the ability to request video footage from Ring video doorbells and security cameras to assist in your investigations.

Chief,

Thank you for your email! I have shared the MOU with our team. I'm going to get this processed and get a counter signature. Once that is complete, I'll share the completed MOU with you and will make introductions to our partner success team and we will have you on-boarded. This process should take approximately 3 weeks or less. Please feel free to call or email me if you have any questions.

Thank you for your time.

Sincerely,

## Ring MOU - Channahon Police Department, IL

1 message

Rohit Murti <rohit.murti@ring.com>  
To: Adam Bogart <abogart@channahon.org>

Fri, Jun 28, 2019 at 1:43 PM

Chief Bogart,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

### **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal by Ring is a free service offered to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (in response to videos or comments posted by the Neighbors community).
3. **Alerts** - Ability to post alerts based on proximity to the recipient, in the Neighbors app.
4. **Video Request** - Ability to request videos from Ring device owners who may have captured footage, that may be of help to you for new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email (hard copy is not required).

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Chief Adam Bogart (abogart@channahon.org)
- Public Information Officer / Social Media Liaison - Chief Adam Bogart (abogart@channahon.org)
- Investigative (CID/Crime/Property Crime) - TBD
- Community Outreach Officer - TBD
- Social Media Coordinator - TBD

Thank you again for meeting with me. I look forward to working with you and Channahon Police Department.

Sincerely,

Rohit D. Murti

## **Neighbors by Ring**

### **Memorandum of Understanding**

This agreement is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2019 by and between Ring LLC ("Ring") and Channahon Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Channahon's ("Village") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
  - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
  - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

#### **Ring**

- Make the Neighbors App available to Village residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

#### **Agency**

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

#### **Press Release**

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

#### **Term**

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

#### **Privacy and Terms of Use**

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

**Compensation**

At no point shall either party receive compensation from each other as a result of this program.

**Confidentiality**

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

**Subject:** Solve more crimes with facial identification  
**From:** Marko Jukic <markojukic2018@u.northwestern.edu>  
**Date:** 6/26/2019 2:09 PM  
**To:** scasey@channahon.org

Hi Chief Casey,

Marko from Clearview AI here, getting in touch via SafetySource.

I just wanted to let you know about Clearview, our new facial identification technology that lets you ID a criminal suspect in seconds. It only takes 1 photo, 1 tap or click on your cellphone or computer, and 1 second of search time.

Over 120 law enforcement agencies nationwide are already using Clearview to solve crimes and save lives. In the last 30 days, our technology has enabled law enforcement to:

- Break up an online child exploitation ring and rescue a 7-year-old girl.
- Identify and arrest a man wanted for attempted homicide.
- Bust a multi-million dollar credit card fraud operation.
- And solve hundreds of other cases across the country.

I'd like to offer you and your whole agency free, no-strings-attached Clearview demo accounts so you can test this groundbreaking new investigative tool for yourselves.

If this sounds good, feel free to reply to this e-mail or just forward it to a member of your staff and we can set up a quick 5-minute call to get going. You can reach me anytime for more information at (703) 939-2929.

You can also hit the button below or [click this link here](#) to sign up directly.

Sign me up for a free demo

Let me know if you have any questions! Looking forward to hearing from you.

Best,

Marko Jukic

The webinar shouldn't take more than 45 minutes. While we encourage the participation of as many officers as are interested, the presence of the following personnel is essential to ensure optimal experience and results with Neighbors Portal by Ring:

- Primary Point of Contact
- Public Information Officer / Social Media Liaison
- Investigative - CID/Crime/Property Crime
- Community Outreach Officer
- Social Media Coordinator

Acquaintance with the Neighbors app (<https://shop.ring.com/pages/neighbors>), prior to our webinar, would be beneficial for engagement. Please contact me in case of any questions. Thank you for your time.

**Subject:** Ring MOU - Channahon Police Department, IL

**From:** Rohit Murti <rohit.murti@ring.com>

**Date:** 6/28/2019 1:43 PM

**To:** Adam Bogart <abogart@channahon.org>

Chief Bogart,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

### **Program Summary**

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal by Ring is a free service offered to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (in response to videos or comments posted by the Neighbors community).
3. **Alerts** - Ability to post alerts based on proximity to the recipient, in the Neighbors app.
4. **Video Request** - Ability to request videos from Ring device owners who may have captured footage, that may be of help to you for new or active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email (hard copy is not required).

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles (full names and emails please)? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Chief Adam Bogart ([abogart@channahon.org](mailto:abogart@channahon.org))
- Public Information Officer / Social Media Liaison - Chief Adam Bogart ([abogart@channahon.org](mailto:abogart@channahon.org))
- Investigative (CID/Crime/Property Crime) - TBD
- Community Outreach Officer - TBD

- Social Media Coordinator - TBD

Thank you again for meeting with me. I look forward to working with you and Channahon Police Department.

Sincerely,

Rohit D. Murti

Chief,

Thank you for your email! I have shared the MOU with our team. I'm going to get this processed and get a counter signature. Once that is complete, I'll share the completed MOU with you and will make introductions to our partner success team and we will have you on-boarded. This process should take approximately 3 weeks or less. Please feel free to call or email me if you have any questions.

Thank you for your time.

Anthony,

Aside from those identified in the email I sent Rohit, are there any other individuals that would need to be present (i.e. IT)?

Hey Chief,

The IP Address is:

168.245.109.206  
168.245.109.223

Are we able to schedule a 20-minute conference call this week to discuss the onboarding process with the key stakeholders?

Anthony,

Our IT department is looking for an IP address as opposed to these email addresses. Is there an IP address we can white-list associated with the emails?

I think we should be okay for right now.

The Portal is a website based so the only things IT would need to know is:

Google Chrome - is supported browser - does not support IE

These two links below should be whitelisted for the entire department.

Anthony,

Any chance I can reschedule. Det. Brooks is out sick today. I would much h rather have him available for the onboarding. This just came up so I apologize for the inconvenience.

Hi Deputy Chief Bogart and Det Sgt Brooks,

I wanted to reach out before our meeting today to inform you to feel free to bring in your laptops into this meeting. I will try to keep this as interactive as possible!

Adam - I will have you post a Welcome message through the Portal as your first ever message. Look at the templates in our resource doc and please fill out your information and we will have you send this out during our meeting. [Templates here](#)

Mike - Does the department have any ongoing investigations that you are still looking for footage? If so please provide me the address of where the crime took place and we will have you send out your first Video Request.

Thats no problem at all. Do you mind giving me a call when you get into the office this morning?

We can reschedule over the phone. I would also like for you to send out the Welcome message through the Portal today though we will not be having the onboarding. I would like to show this post off at our new onboarding date.

## You've been invited to join Ring Neighbors Portal.

Ring invites you to join the Channahon Police Department in the Ring Neighbors Portal.

Neighbors Portal provides the Channahon Police Department with access to the Neighbors App, which is the largest crime-focused neighborhood watch in the country. You'll also have the ability to request video footage from Ring video doorbells and security cameras to assist in your investigations.

**Neighbors by Ring**  
Memorandum of Understanding

This agreement is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2019 by and between Ring LLC ("Ring") and Channahon Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Channahon's ("Village") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
  - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
  - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

**Ring**

- Make the Neighbors App available to Village residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

**Agency**

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

**Press Release**

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

**Term**

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

**Privacy and Terms of Use**

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

**Compensation**

At no point shall either party receive compensation from each other as a result of this program.

**Confidentiality**

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.
